

About Scripture Union

Scripture Union is a worldwide fellowship of over 3.5 million Christians in 130 countries who are committed to helping people know God's love, follow Jesus and meet God daily in His Word. Founded in 1959, Scripture Union/USA is a non-denominational Bible engagement ministry with two main emphases:

- Helping people of all ages meet God every day in the Bible and prayer; b) Reaching out to the next generation with God's Word.

Bible Engagement for Children

Scripture Union/USA conducts two Bible engagement programs for at-risk children. SuperKids®

summer outreach missions partner with local churches to bring God's Good News to at-risk children in our cities, parks and playgrounds.

PrimeTime®. SU's Bible based after school program, combines fun activities, tutoring and homework help with creative Bible teaching. The programs are held in churches and community centers all across the country.

Engaging Young People

SU has embarked on an amazing journey to engage young people in honest, encouraging conversations that address their questions about the Christian faith. The initiative, called NUA (an Irish adjective meaning "new"), is a series of eight short films intended to be watched over time by a group.

Bible Engagement for Groups

Scripture Union/USA has several church-wide Bible reading programs including The Essential 100. The Essential Jesus and The Essential Question. Visit www.ScriptureUnion.org to learn how these programs can help people in your church discover the many rewards of reading through the Bible together.

SU Bible Reading Method

Pray

before reading, asking God to help you understand and receive His Word. Through Christ you are in the Father's holy presence. Approach Him boldly, humbly, and expectantly.

Read

carefully the Bible passage for the day. Refer to the preceding and following sections as necessary, so that you read in context.

Meditate

on what you have read, waiting in openness, ready to obey God's Word to you. First, think through the passage, asking yourself such questions as:

- What is the main point of this portion?
- What does God—Father, Son, or Holy Spirit—reveal of Himself?
- What insight am I given into myself, and into my life situation?
- Is there an example or a warning to heed? A promise to claim?
- What does Christ require of me now, in thought, word, or action?
- Then complete your meditation by reading the SU Bible study guide. In light of these insights from your fellow Christians, think further about what God is saying to you.

Apply

what God has taught you from today's reading to the circumstances of life—situations at work, home, school, or church. Use what you have learned in order to become more like Jesus.

Pray

again. This time, turn the things you have learned into prayer. Thank God for His greatness and love. Confess your sins. Remember the needs of others. Adore the Lord in His beauty. Go forth to serve Him with joy.

Bible Guides

Using the SU Bible guides makes you part of a worldwide family of people who "meet God every day in His Word and prayer." That's a great way to grow closer to God, deepen your faith and become more faithful in your obedience.
